La Plata, the Argentine Confederation, and Paraguay: Being a Narrative of the Exploration of the Tributaries of the River La Plata and Adjacent Countries during the Years 1853-1860

La Plata, the Argentine Confederation, and Paraguay by Thomas Jefferson Page. Published in 1859, this book is a narrative of the exploration of the tributaries of the River La Plata and adjacent countries during the years 1853-1860. It is a valuable resource for anyone interested in the history and geography of this region.

La Plata, the Argentine Confederation, and Paraguay: Being a Narrative of the Exploration of the Tributaries of the River La Plata and Adjacent Countries during the Years 1853-1860 is a work of historical geography. It is written in an engaging style and provides a wealth of information about the geography, flora, fauna, and people of the region.

The book is divided into several sections, each covering a different aspect of the region. The first section provides an overview of the geography and history of the area. The second section describes the exploration of the tributaries of the River La Plata, including descriptions of the lands and peoples encountered along the way. The final section provides a detailed account of the exploration of the River Paraguay.

Overall, La Plata, the Argentine Confederation, and Paraguay: Being a Narrative of the Exploration of the Tributaries of the River La Plata and Adjacent Countries during the Years 1853-1860 is a fascinating read for anyone interested in the history and geography of this region. It is a valuable resource for students, researchers, and anyone interested in the history of South America.
